

FULLERTON COLLEGE  
STUDENT DIVERSITY SUCCESS INITIATIVE

# FC MILES

MATH INSTITUTE FOR LEARNING ENHANCEMENT SUCCESS

## ABOUT THE PROGRAM

FC MILES is an 11-week math program designed to help students further develop their math skills by providing a non-traditional classroom. We are seeking individuals who are looking to strengthen their math skills before taking a math course. *This is a non-credit experience intended to provide you extra support in accomplishing higher level math skills.*
